

COVID-19 PRECAUTIONS

Regarding the new safety measures in regards to COVID-19, we follow all the guidelines of Public Health and Ministry of Education.

- ☒ We are taking students and staff temperatures before entering the facility via our touch-less temperature screening system daily.
- ☒ Screening questionnaire to be filled by the parents and staff daily.
- ☒ We have sinks and hand washing stations in every classroom, therefore children are encouraged to wash their hands regularly.
- ☒ Students of each class will not be mixed with any other group during the day. (For example: Hallways, Bathrooms or Playgrounds, etc).
- ☒ Sanitization and cleaning of the materials takes place regularly.
- ☒ Every evening after school timing, our cleaning services, disinfects the entire facility with disinfectant that is effective in removing a wide range of bacteria and viruses. Which helps to prepare a fresh and clean environment for the next day.
- ☒ Our curriculum did not change and we continue to teach our Montessori lessons during the work cycle.

If you have any questions, feel free to contact us. We would be happy to assist you.
